Re: Case No. 18-T-0499: Application of NextEra Energy Transmission New York, Inc. for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the Public Service Law for the Construction of a 20 Mile 345 Kilovolt Transmission Line Located in the Town of Royalton, Niagara County, and the Towns of Alden, Newstead, Lancaster, and Elma in Erie County - 14-Day Pre-Construction Notice of Construction Materials Availability

Dear Secretary Phillips:

On June 16, 2020, the New York State Public Service Commission issued a Certificate of Environmental Compatibility and Public Need ("Certificate") to NextEra Energy Transmission New York, Inc. ("NEETNY"), to construct and operate the Empire State Line Project. Pursuant to Certificate Condition 132, NEETNY confirms that all required construction materials for all Project components are available either: (i) at a marshaling yard; (ii) in a NEETNY warehouse or other routine inventory stocking location; or (iii) on order from a vendor with a scheduled delivery date prior to the time scheduled for its use in the Project.

Should you have any questions, please don't hesitate to contact me at 561-694-4831 or via email at Johnbinh.Vu@nexteraenergy.com.
